**Writing Classes** teach grammar, spelling, punctuation, organization, vocabulary, and critical thinking. Our goals are to help kids earn A's now and in the future by preparing them for honors, AP, and college writing. We cover literary response, persuasive, expository, and narrative essay writing, depending on the grade level. We start with editing homework, followed by a lesson. Students learn from the editing of their own work and everybody else's, followed by a lesson. Students then begin homework in class, receiving feedback. Homework takes 1-2 hours per week. Prompts are derived from released SAT, ACT, and AP exams as well as our own curriculum. Help with schoolwork is available in private classes.

**Reading Classes** use quality fiction and non-fiction books to improve fluency, comprehension, vocabulary acquisition, metacognition, and analysis. We read in a round-robin format with everybody taking turns. The teacher guides the discussion by modeling use of context, use of Greek and Latin roots, and paying attention to understanding. Homework covers reading and vocabulary.

**College Counseling** covers choosing extracurricular activities, scheduling testing, career planning, goal setting, private school and college selection, and assessment of weaknesses and strengths. Assistance with college applications and personal statements is available.

**SAT/ACT Classes** provide practice, test-taking techniques, and advice for both college entrance exams. These classes are especially useful for students who have already taken a boot camp.

**AP US History (APUSH)** teaches US history and essay writing.

## Simon Academics

### Simon Academics Policies

**Refunds and Missed Classes:** No refunds and no extensions for missed classes. Make-up classes are not guaranteed but may be requested by email. Up to 3 make-up class requests may be granted per school year. Make-ups expire at the end of the period paid or end of the school year, whichever comes first. Additional make-up classes beyond the first three will each incur a \$20 fee each. Refunds and temporary stops must be requested at least two weeks in advance. Rate-A refunds are credited at \$25 per remaining class minus a \$300 fee. Private and Rate-B refunds are credited at \$43 per remaining class minus a \$300 fee. There is \$100 fee for pausing classes or stopping for a credit. Stops must be at least 5 weeks long, and students lose their class spots. Students must be dropped off and picked up within 5 minutes of class time. For safety, an adult must walk children into the office for pick up and drop off. Vehicles may not stop in front of the office for drop-offs and pick-ups and may not honk for pickup. Parents must let all drivers know this rule. Children will stay in the waiting rooms before and after class, not in the lobby. Late pickups incur a \$1/minute charge. Simon Academics may freely use student work as well as photos, videos, and recordings of students for blogging, advertising, training and educational purposes, without compensation to the student or guardian.
